

Capability Statement

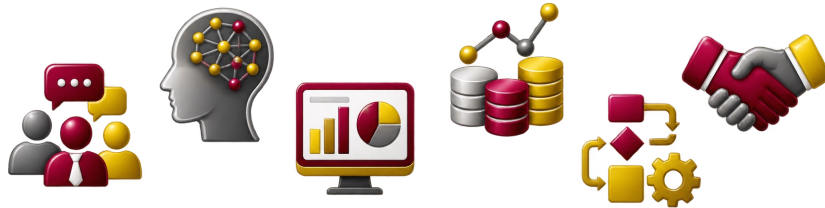

SpaceTimeWorks LLC delivers Enterprise-level expertise and research-backed Analytics, Machine Learning and AI to assist you overcome technical challenges and solve problems. We do consulting, workshops, and assessments. We can help you bridge communication among different teams, strategize & coordinate cross-team collaboration, and move initiatives from concept through implementation.

Our foundation combines two decades of Enterprise delivery in Analytics products & support, technical training and education, current Generative AI, Agentic AI, RAG and MLOps practice, and academic research foundation in predictive spatial/spatiotemporal Analytics.

Core Competencies

- Strategic Analytics & AI consulting, capability assessment and roadmaps
- AI and Analytics training workshops for versatile range of audiences
- Data preparation, wrangling, multi-source integration and insight generation
- Predictive modeling, research-backed methods and uncertainty-aware analytics
- Custom analytics scripting, automation, tool development and implementation
- ML / AI architecture, productionization, MLOps and analytic workflows
- AI readiness assessments, executive scorecards and 90-day roadmaps
- Fractional Chief Data & AI Officer leadership and roadmap ownership
- AI / data technical due diligence for investment and acquisition decisions
- Expert witness, technical review and litigation / regulatory consulting
- Cross-team facilitation and engineering-to-business translation
- Education services (languages, technical, academic)

Differentiators

- ✓ 20 years of proven Enterprise Software, Analytics, ML and AI delivery expertise.
- ✓ Research-grade analytics and peer-reviewed published expertise applied to real business outcomes.
- ✓ Practitioner perspective in Generative AI, Agentic AI, RAG, vector stores and MLOps.
- ✓ Cross-functional bridging across engineering, data science, decision-making, product, and executive stakeholders.
- ✓ Rare pairing of PhD-level scientific rigor with enterprise product ownership and architecture.
- ✓ End-to-end execution mindset: complete solutions from concept through implementation.
- ✓ Specialized spatial, spatiotemporal and uncertainty-quantification expertise.
- ✓ Independent, vendor-neutral advisory: No software sales or platform affiliations.

Company Snapshot

Legal Name:	SpaceTimeWorks LLC
Gov. Business POC:	Dr. Alexander Kolovos
Email:	alexander.kolovos@spacetimeworks.com
Phone:	+1-619-559-2497
Address:	701 Kettner Blvd #23, San Diego, CA, 92101
Work Area:	San Diego, CA + National / Remote
UEI:	C1AFHKGCLP95
CAGE:	6PGQ7
Socio-Economic Status:	CA Small Business
